About BC Youth Week

BC Youth Week is a provincial celebration of youth held annually during the first week of May. It is a week of fun filled interaction and a celebration intended to build a strong connection between youth and their communities. This event is intended to profile the vast majority of members choosing to renew their BC Youth Week membership.

In 2018, we offered funding to members to host events. We were able to secure a silver sponsorship (Abbotsford DPAC) and two bronze sponsorships (Mavrixx and Champions for Community Wellness) for 2018. We benefited from the continued Platinum Sponsorship from WorkSafeBC. In addition to their financial support, they regularly participated as partners with youth and organizations in our communities, and we look forward to building upon these in 2019.

Message from BCYW Consultant

On behalf of the Abbotsford Youth Commission, it has been a pleasure to work with and alongside the members of BC Youth Week over the past 9 months to ensure the success of this important week celebrating youth in our province. It has been wonderful to see the collaborations and partnerships with youth and organizations in our communities, and we are excited about the collaboration and growth that took place in 2018.
