Member: City of Courtenay Representative: Alexis Forbes

"The LINC Youth Centre, has been a member of the BCYW Committee for over 8 years. Over this time, the membership has grown, and accommodated the memberships diversity.

Living on Vancouver Island makes attending face-to-face meetings challenging, but regular conference calls and emails have made me feel more included in the group and has helped The LINC's Youth Week events build more of a presence. It has been awesome to connect with other youth coordinators and agencies and hear what events and initiatives they are launching to see if they could be adapted to our community.

I hope the committee can continue to grow and evolve as celebrating BC Youth is incredibly important - there are so many awesome things they are up to! Hope you'll join us!"
